About Chalet La Vieille Ferme ...

As the name suggests, luxurious Chalet OVO La Vieille Ferme is a traditional farmhouse that has been stylishly modernised, with great attention to detail, whilst retaining its Alpine charm.

The chalet is in an amazing spot, with stunning views across Manigod valley. Families will feel instantly welcome, especially those with young children, with the enclosed terrace and a flat grassed area ideal for football. Inside, old wood and exposed stone have been retained, and modern touches added to ensure that you have everything you need for a care-free holiday in the Alps, all year round.

In Manigod, just a five-minute walk, you can enjoy freshly baked croissants and bread from the local boulangerie or savour some fresh, local dishes, such as raclette and fondue, in the popular Val Sulens restaurant.

Less than an hour from Geneva, the Aravis region is a great base for holidays all year round. Check availability now, to make sure you don't miss out on your chance to visit La Vieille Ferme.

The chalet has easy access to the main road, via a large tarmac driveway, which is regularly cleared of snow. The chalet itself, unlike many in the vicinity, has the advantage of being set above the road (accessed by external stairs) and guests can enjoy fabulous views of the mountains from the spacious top terraces at the front and smaller terrace at the back.
